The THyGA project has received funding from the Fuel Cells and Hydrogen Joint Undertaking under grant agreement No. 874983. This Joint Undertaking receives support from the European Union's Horizon 2020 research and innovation programme, Hydrogen Europe and Hydrogen Europe research.

Organisation of today's workshop – Code of conduct

- We are glad you could make it!
- Please keep your microphones muted when not needed
- If your camera is not shut off – please shut it off now
- Calling-in per telephone is not possible – please use the audio of your computer

Organisation of today's workshop – Code of conduct

- **This workshop will be interactive.** Nevertheless, with > 100 participants we need to streamline the agenda and focus discussion.
- Therefore, **please feel free to make a posting in the chat any time** if you have a question
- We will announce questions after the presentations and unmute your microphones so you can speak in person.
- Optional: You can **send questions** to schaffert@gwi-essen.de and patrick.milin@engie.com
- **All questions** that remain open today **will be answered** within the next 10 days
